Dedication

of the Class of 1957

A nineteenth century poet called literary criticism, "An endeavor to learn the best that is known and thought in the world". Bates College students from 1926 to 1957 have found this creed exemplified by Dr. Edwin Miner Wright from whom they have received an inspiration to culture.

Dr. Wright is a Phi Beta Kappa scholar who graduated from Colgate in 1909 and later received his graduate degrees from Harvard University.

During World War I, Dr. Wright saw European duty as a member of the United States Air Service.

Dr. Wright's teaching career started at East High School in Rochester, New York and was followed by an instructorship at the University of Rochester. From 1924 to 1926, he was tutor at Harvard in the Division of Modern Languages. In 1926, he came to the English Department at Bates College.

An active member of both college and community, Dr. Wright has belonged to the Modern Language Association of America, and is a past president of the Lewiston-Auburn Executives' Club.

We know Dr. Wright as an educator and classicist who has transmitted enthusiasm to his students. With his standards of honesty, accuracy, and thoroughness, he has given us freedom to develop critical and sincere appreciations of literature.

Outside the classroom, too, we have been inspired by Dr. Wright's friendship. We have been welcome in the congenial atmosphere of his home and have received his most appreciative support in all student activities.

We take genuine pleasure in dedicating this yearbook to our teacher and friend, Dr. Edwin Miner Wright.

President Charles Franklin Phillips

It is said that the course of a ship is no better than her helmsman. If this can be true of a college as well, then we have no fear for the future of Bates. Dr. Charles F. Phillips' experience and ability give high praise to the value of his leadership.

A distinguished scholar, Dr. Phillips holds degrees from Colgate, Harvard, and the several colleges which have awarded him honorary degrees. He has been a teacher of economics at Hobart College and at Colgate University.

The United States Government recognized Dr. Phillips' administrative ability when he was appointed Deputy Administrator of Rationing, during World War II, and again in 1954, when he was sent to India and Pakistan on a State Department mission. This past summer he participated in an international economics conference at Zurich, Switzerland.

Dr. Phillips is on the Business Policy Committee of the National Planning Association and the Judicial Council of Maine. He has recently served as chairman of the New England Council's Business-Education Committee and of the Publications Policy Board of the American Marketing Association.

In addition to these educational and administrative accomplishments, Dr. Phillips is the author of several books and articles.

We of the senior class respect Dr. Phillips for his attainments and character. We have enjoyed our association with "Prexy" and have appreciated his friendly interest in us. We are proud to have so fine a man as president of Bates College.

A Special Tribute

In September, 1953, we swept through Coram Library with Miss Mabel Eaton and her "whirlwind tour"; though we were impressed with the academic center, we were fascinated with our petite guide. Since then, we have learned that she is always the combination of energy and enthusiasm which we first saw.

A graduate of Bates in 1910, Miss Eaton also holds a degree from Simmons College. Her background in library science includes her experience as cataloger at the University of Chicago Library and as Assistant Librarian at Williams College. She has been on the staff of Coram Library since 1921.

The many requirements of administrative work have not kept Mabel Eaton from an active part in student-alumni affairs. Well known as a founder of the Bates Key, she has been its president for twenty-one years. She has served on numerous alumni committees, and is chairman of the Faculty-Student Committee on Commencement.

Indeed, we have admired Miss Eaton for her energy and efficiency, but our tribute is directed to another facet. In four years, we have learned the value of her guidance; she has always found the time to give us advice, encouragement, and inspiration.

Thus it is, Miss Eaton, that the Class of 1957 thanks you with deep respect and friendship.

Ivy Day Ode

The bare twigs of trees trace lacy patterns against a pearl-
grey sky.
Suddenly, with a burst of sun and budding green,
The lace melts into broad leaves and the last phase of
winter seems to die.
The twisting vines, which once looked barren against a
darkened wall,
Blaze forth to translate stern brick into an ivy carpet,
beckoned by the warm sun's call.
Each spring the green eagerly creeps over the rain-soaked
lawns,
Each spring the ivy climbs in its never-ending serach for
new vistas, awaiting new dawns.
The ivy must fulfill its tortuous climb in a few fleeting
days,
Lest winter's grasp wrench the last bit of life from
the tired limbs
in exchange for a prison of snowy stays.
We who grow within a sheltered spring of learning
May be like the ivy, which as season's fertile care with-
draws, stops its yearning.
As this ivy is planted with the hope of beauty it will bring,
Dare we forget our years of learning
which are in need of eternal spring?

Football

We who were fortunate enough to be associated with Bates College this year witnessed the development of men from all four classes into a well integrated and highly talented football team. This past season has been the most successful on the gridiron for many a year.

The Bobcats finished the season with a record of five victories against two defeats. The losses were outcomes of the first two games, a fact indicative of the fine progress made by the players as well as by the coaching staff. In the next five games, the 'Cats emerged victorious and went on to capture the championship of the Maine State Series games. This was no great surprise to those of us who closely followed the progress of the team, but was rather the fulfillment of our expectations. The fine exhibition of talent and sportsmanship on the field of play made all of us very proud to be connected with the name of Bates.

The first game on the Bobcats' schedule was played at Sabine Stadium, Northfield, Vermont against the Horsemen of Norwich. Failure to materialize on a scoring punch cost the 'Cats the game as Norwich went on to win a 13-7 victory. Bates brought the pigskin down the field very skillfully, but froze on the big opportunities. Perhaps this was a foreshadowing of what was to come in the next game.

On their next outing, the Hatchmen played host to Upsala College and proceeded to thoroughly outplay their opponents, in spite of the fact that the final score did not indicate this. Once again Bates froze at the goal line, and this was the deciding factor in the 7-6 Upsala victory.

In their third attempt at a mark in the win column, the Bobcats clicked as they defeated W.P.I. on Alumni Field in Worcester. The second half saw the 'Cats come alive as they scored twenty points, and went on to tag a 28-13 Homecoming defeat on the Engineers. Star half-back of the Bates eleven, Bob Martin contributed fourteen points to the Garnet drive.

Apparently the Bobcats enjoyed the taste of victory, for never again, after the all important W.P.I. win, did they go without their Saturday feast. On their following outing against the Middlebury Panthers, the 'Cats marched on to an easy 28-0 win over their visitors from Vermont. Bates combined a strong defense with a much varied offense and proved to be an overwhelming opponent. After the figures were compiled, Bates had gained 344 yards by rushing, and the Panthers had gained only fifty-two. Once again Bob Martin, the brilliant half-back, displayed his ability as he scored twenty-one of the twenty-eight Bates'

points. The other Co-Captain, Paul Perry, contributed his finest run of the season in this game, and in the end had carried the ball ten times for ninety-two yards,—an outstanding performance.

The next Saturday brought the opening of State Series competition as the Black Bears of Maine played host to the eager Bobcats. The contest started with a bang clearly heard around Orono, and ended as the Garnet lowered the boom. This victory resounded back in Lewiston, for the Bates men capably presented the Pale Blue with an important 19-13 defeat. Victory did not come easily for the 'Cats; they had to come from behind twice before they finally took the lead and kept it. Martin was responsible for all the Bates tallies, and one of the most crucial plays of the year took place, when he broke away for a fifty-one yard run to give Bates the lead by which they finally won.

To say that any one run or particular play won the Maine game is not quite enough. The entire game was a complete team effort,—a well-organized, alert defense, combined with a smashing offense. Paul Perry deserved extra credit for his hard-running offensive drives, and his commendable job of vicious tackling. Phil Carletti, along with Perry, did a terrific job of line backing, accounting for thirteen solo tackles. Brian Flynn made several outstanding pass receptions which proved to be a nemesis to the Black Bear. John Liljestrand and Wayne Kane were to be commended for their fine jobs of offensive blocking and defensive charging.

This game was the highlight of the season with the team putting forth its finest performance of the year. Even the Stein Song did not have enough influence to keep the eager Bobcats from skinning the Black Bears.

Back-to-Bates found the Hatchmen playing host to the Polar Bears of Bowdoin in a thrilling Homecoming game. The aroused Polar Bears were eager to get the Bobcats, eager as the 'Cats had been in the game of the previous week. The Garnet thoroughly trounced Bowdoin both statistically and physically, and only the final score was close. The 13-12 victory for Bates was its second in Series competition and fourth in succession.

In their final outing, the Bobcats routed Colby 38-13, and became the first team in ten years to bring Bates sole possession of the Governor Barrows Trophy, a symbol of the State Series Championship.

Pre-game predictions of an upset were cast aside at the opening whistle, as the Bates eleven jumped off to a spectacular first half that completely stymied the Colby Mules. The final satistics showed that Martin was high scorer with three touchdowns and two conversions. Co-Captain Perry, Jim Kirsch, and Fred Drayton also contributed Bates tallies. So ended the last game of a most successful season.

In the statistics department, it is worthy to note that Bates ran a toal of 465 plays and had a net gain of 2181 yards. Co-Captain Perry carried the pigskin eighty-one times for 415 yards, while the other captain, Bob Martin, carried 174 times for a total of 761 yards. Martin also tied for leading scoring honors in New England with a player from Trinity.

The Bobcats will lose several important men at graduation this year. Men like Martin, Perry, Carletti, Flynn, Dailey, Levine, and Henrikson will be difficult to replace, and certainly their services will be missed. However, with sufficiently good material, it is hoped that next year's team will be successful through the combined efforts of an able coaching staff and Co-Captains John Liljestrand and Wayne Kane.

Basketball

The Bates Bobcats, finishing fast with wins over Middlebury and a scrappy Bowdoin Quintet, ended the 1956-57 basketball season with an 8-11 record. Although finishing below .500 for the year, the Garnet improved its record over the previous season and exhibited lots of hustle for new mentor Verne Ullom.

Bates was led by Senior Captain and forward George Schroder, outstanding guard Jack Hartleb, junior Will Callender, and sophomores Bob Burke and Jack O'Grady. For his all around play in state series play, Hartleb was placed on the All-Maine team.

Freshmen played a big part in the Garnet campaign. Big Jim "Spook" Sutherland added much needed height to the Garnet five while gaining valuable experience. Phil Candelmo and Gerry Feld also contributed greatly to the cause as did Jim Dimartine earlier in the season.

Senior reserves Dud Davis, Jim Muth, and Dick Sullivan along with Byron Haines rounded out this year's version of the Bobcats.

Highlights of the season included two wins over Bowdoin, 84-76 and 74-72. The latter victory was made possible by a last second layup by Hartleb, a duplicate of a layup Hartleb has also hooped under a similar situation against Northeastern. Bates lost to the Huskies in a double overtime 82-83.

Other bright moments were the 88-63 victory over Brandeis, one of New England's top small basketball colleges, a 78-73 win over Williams and a thrilling 68-67 victory over Massachusetts Institute of Technology.

Bates narrowly lost to Boston University 66-69, dropped three to archrival Colby and two out of three contests to the University of Maine placing us third in State Series competition.

This past season gave the Garnet a basis for a hopeful outlook for the coming basketball season with the hustle and experience of the underclassmen shown this winter.

A word must be said about the Jayvee basketball team coached by Chick Leahey. The Bobkittens wound up with a record of 12 wins and 2 losses.

Sophomores Dave Smith and Ross Deacon and outstanding freshmen Joe Murphy, Jon Whitten, Art Pfeiffer, and Jim Wylie gave the Garnet their best record in many years and appear to be good varsity material.

The Bobkittens defeated such teams as the Eastern Maine schoolboy champs, Edward Little High School, MCI, tough South Portland High School, Kents Hill, Portland University and Bridgton Academy. The UNH frosh and MCI were the only teams to tame the kittens, MCI defeating the Garnet on the Pittsfield court.

Winter Track

The 1956-57 edition of the Bates Varsity Indoor Track team completed its most successful season in years as they continued the winning ways introduced by the State Championship football squad.

After losing their opener to a powerful University of Maine squad, the 'Cat thinclads swept through the rest of their schedule to end up with an excellent 5-1 record. The tracksters were probably the best cinder squad ever to represent Bates. After dropping a closely-contested 68¼ - 57¾ decision to the Black Bears, the Garnet powered over New Hampshire 82-44, Northeastern 56⅔-56⅓, Tufts 62-51, Bowdoin 87½-38½, and Providence 85-39.

The Slovenskimen were led all season by Co-Captains Pete Wicks '57 and Jim McGrath '57, sensational Rudy Smith '60, Jim Wheeler '58, Pete Gartner '59, Bill Neuguth '58, and John Douglas '60.

The successful 'Cats were led in their assault on the records by the frosh star, Rudy Smith. Definitely the fastest man ever to run for Bates, Smith managed to tie the cage record of 4.7 seconds in the 40 yard dash and break the cage records in the 300 yard run with a time of 33 seconds flat, and the 600 yard run with an amazing 1:13.8 clocking. It was this same Smith who brought capacity crowds at the Boston Garden to their feet two weeks in a row, as anchor man for the spectacular 'Cat relay team.

Running in the K. of C. Meet, the Garnet relayers faced Northeastern and Rhode Island. Behind by fifteen yards when he got the baton, Smith not only made this up, but won by 20 yards. This victory also supplied the 'Cats with the 5 points by virtue of which they topped Northeastern in the dual meet. The following week, competing in the B.A.A. Games, the Garnet baton-men repeated their fine showing, this time topping Tufts, Brown, and Northeastern with an outstanding 3:26.4 clocking.

Bill Neuguth, a timber-topping junior altered many meet records during the year, tying the cage record of 5.6 seconds in the 45 yard low hurdles against Bowdoin after he had set a new cage record of 5.9 seconds in the high hurdles the previous week versus Tufts.

Returning to last year's form after a leg injury, Pete Gartner leaped to new heights against Bowdoin as he cleared 6' 3¼" for a new meet record, while his teammates crushed the Polar Bears 87½-38½. Going into the meet, the Garnet had beaten Bowdoin only once in dual meet competition—in 1941!! A huge crowd gathered to see the high point of the season, that was supposed to be a close meet. Jumping on the Polar Bears right from the opening event, the Garnet ended their sixteen year dual meet drought with a vengeance. The Garnet weightmen continued their fine season-long showing by piling up an early lead which was never overcome. Jim Wheeler with two firsts and John Fresina '58 with one, led the way for the 'Cats. Between them, they piled up 20 points in the heavy field events.

Not to be overlooked in this most successful season, are the fine performances turned in all year by John Douglas who will unquestionably be a Garent great in the broad jump where he has already leaped 21' 10¾", Fred Bragdon '58 in the mile, Dick LaPointe '60, the second 'Cat 6' high jumper, Bill Taylor '58 in the weights, Dick Dube '59, and Maynard Whitehouse '58 in the two mile, Fred Turner '60 in the 1000, fast improving Dave Erdman in the pole vault, and Dick Rowe '57 in the 600 and 1000.

The outdoor season which, unfortunately, cannot be included will find the 'Cats seeking to continue their five meet win streak and the prospects for gaining revenge on Maine, the only Garnet conquerors, in the State Meet are greatly optimistic.

Coach Slovenski, P. Wicks, J. Douglas, R. Smith, M. McGrath

First row, (left to right): D. Wilkinson, R. Stevens, M. Whitehouse, B. Farqhuar, J. Fresina, J. Riopel, Captain, G. Parkherst, R. Rowe, W. Wicks, F. Bragdon. Second row: Coach Slovenski, A. Mersereau, J. McGrath, D. Erdman, J. Wheeler, W. Negeuth, W. Taylor, P. Gartner, B. Getchell, P. Kenney, R. Dube, J. Grahame, Manager S. Maxwell.

Spring Track

After a sparkling winter track season, the Bates Bobcats turn to the outside—and spring for the annual spring track meets. The future looks bright indeed, with such stars as Pete Gartner, who broke the cage record in the high jump with a 6' 3½" effort against the Bowdoin Bears, and Rudy Smith, the best prospect to come to the Bates track scene in years.

Bill Neuguth, who holds the record of 5.6 seconds in the low hurdles, along with the above stars and with tested veterans such as Co-Capt. Jim McGrath, Co-Capt. Pete Wicks, Dick Dube, a long distance man, and Freddy Turner who shows up better every time he runs, should be able to place Bates as a serious contender for the State Crown in 1957.

John Fresina, Jim Wheeler, John Douglas, Dick LaPointe and Maynard Whitehouse round out the big men. This appears to be the best outdoor track season in years, as Coach Walt Slovenski and his Bobcats go out to add more wins to their present slate of 5-1 indoors.

The team is awaiting with great anticipation their first meet which will be the University of Connecticut relays at Storrs on March 23rd. The first formal meet is with Union College of Schenectady, New York, here at Bates the middle of April.

One of the strongest track squads in many a year hopes to gain for Bates another state championship.

First row, (left to right) : N. Clarke, R. Davis, A. DeSantis, B. Dunn, F. Jack, P. Perry, A. Wohllebe, B. Flynn. Second row: Coach Leahey, B. Gillette, W. Sneider, P. Carletti, B. Tobin, D. Colby, E. Dailey, B. Martin, D. Moraes, N. Jason, P. Bernholdt, Manager.

Baseball

The Garnet baseball team ended their season with a 4-9 record. This, however, does not indicate the caliber of ball played by the 'Cats.

Many of the games could have gone either way and many excellent pitching performances were therefore lost in the shuffle. The 'Cats opened the season with a 7-3 loss to the Bowdoin Bears. Senior Fred Jack, the first of three Garnet hurlers was plagued by shaky fielding and weak hitting on the part of his mates. Only junior third sacker Bob Martin was able to show any power, going 2 for four.

Rain and wet ground proceeded to strike out the scheduled games with Brandeis, New Hampshire, and Maine, all home games. An improvement in the hitting department was shown a week later when the Garnet traveled to the Quonset Naval Air Station. They collected nine hits and six runs but were defeated by an 8-6 score. Catcher Paul Perry garnered a double and two singles while Ralph Davis and Al De Santis had a pair of singles.

The 'Cats hit the winning trait the following day with a 7-3 victory over Northeastern. Fred Jack was the star with a grand slam home run and a fine pitching performance. Freshman shortstop Norm Clarke led the offense with three singles.

In their final state series exhibition game, the team lost a 7-4 decision to Colby. Norm Clarke's defensive play at short and his two hits along with Bob Martin's home run highlighted the losers attack. The Bobcat chances took a serious dip when Captain and star first baseman Bob Dunn was injured and lost for the season.

A five run first inning proved too much for the 'Cats as Bowdoin drew first in state series play with a 12-3 verdict. The one bright spot in the game was the excellent relief pitching of sophomore Norm Jason who held the Bears scoreless for the last five innings. Junior third baseman Brian Flynn and shortstop Clarke each had two hits apiece.

The next day the 'Cats found B.U. just as tough and dropped an 18-8 decision. The Terriers collected 19 hits to 10 for Bates. The previously postponed Brandeis game, however, set the Garnet back on the winning trail as sophomore Dave Colby tossed a neat three hitter in winning 8-3. The victors stole 12 bases. Bob Martin had two hits and two steals of home base while Ralph Davis collected the other two hits for the victors.

The University of Maine became the 'Cats second straight victim by a score of 9-2. Fred Jack picked up his second victory of the season while hitting honors went to Davis who went 3 for five. De Santis and Dick Moraes both of whom tripled and singled.

The Garnet lost their next two contests to Providence College 12-1 and Colby 4-1. Both games found Bates unable to muster any power at the plate although hard hitting Norm Clarke collected three hits in the Colby game.

Fred Jack got his mates back on the winning trail as he hurled the 'Cats to a 4-2 victory over Bowdoin. This gave them a 2-2 record in state series play. The Bobcats ran up against stiff competition in their next two games which, unfortunately, marked the end of the season for them. Both games found them unable to hit effectively. These losses were to Maine by a score of 0-6 and to Colby 0-1.

In the post-season honors department, Bates placed two men on the All-Maine team. Norm Clarke, the team's leading hitter at .333 was picked as the shortstop while Fred Jack who won all but one of the 'Cats games was selected as a pitcher.

The squad elected Ralph Davis of Bloomfield, New Jersey as next season's captain.

(Left to right) : Coach Lux, B. Williams, P. Stevens, R. Golden, F. Hubert, D. Glass, R. Deacon, D. Lubets, T. Hawkins, Captain C. Schmutz, Professional H. Gilman.

Golf

The 1956 Golf Team was truly in its formative stages, for out of the seven men who played regularly in matches only two had had any college experience. However, as the season progressed, the freshman load squad showed great promise for the future.

The prospects for the 1957 season are far more optimistic than in the past few seasons. With the return of Captain Charlie Schmutz and five other regulars of last years squad, the season record of 1-11-1, seems more than likely to be bettered. The team is young, with Schmutz and Bob Williams the only two senior letter winners on the squad. Roy Golden and Tom Hawkins, the other two letter winners of last year, are both sophomores and should be greatly improved after a year's competition under their belts. Ross Deacon and Dick Lubets who also gained much experience last year are back and will undoubtedly contribute greatly to this year's squad. New faces which show promise in aiding the golf team are freshman Jon Prothero, junior Pete Jodaitis, Brad Gracelon, and senior John Moore.

Schmutz, Golden, and Williams, who were consistently in the low 80's last year, must carry the burden, and if the season is to be a successful one, these boys must be playing in the high 70's. The team is looking forward to a profitable and challenging season.

Front row: R. Steinberg. Second row: A. Miller, P. Meilen, C. Parker, J. Weiner, P. Feinsot, J. Pickard, M. Wilkes.

Tennis

Spirit, hard work, and determination were the forces that brought Bates its only winning athletic team of the 1955-56 season and a state co-championship as well. Under the guidance of its capable coach, Robert Peck, the tennis team completed the season with seven wins and four defeats. The Bates victory in tying Colby for the state title was the first win of state honors for a Bates athletic team since 1946; it was the first such tennis victory since 1937.

The netmen began their successful season at home with a win over M.I.T., and then journeyed to Boston to defeat Babson and Tufts. All three scores were identical 7-2 wins. The next match was played at the University of Maine, and Bates dropped a 6-3 decision. Then a 7-2 match was held at Bowdoin. The team played their next two matches at home; they dropped a disappointing decision to the University of New Hampshire, and an 8-1 contest to highly touted Boston University.

However, in their next three outings, Bates hit their winning stride by defeating the University of Maine, Bowdoin, and Colby. One highlight of the season for the Bates team was the fine play of "Big" Jim Weiner and Craig Parker at Colby, in the last match of the season. The weather conditions on the day of that match were more appropriate for a sailing race than for a tennis match. Nevertheless, the doubles win of Weiner and Parker gave Bates at least a tie with Colby for top honors in the state.

Dr. Lloyd Lux, who piloted the 1954-55 team to a successful season, will once again take the helm for the 1956-57 season. Coach Lux will have to rebuild the team because of the loss of several men. Returning varsity men are Meilen and Pickard. Dr. Lux will have to count on these two capable players to form the nucleus of his squad. Jim Pickard a fine and consistent player of last season, will be captain of the 1957 squad.

With the team showing the same spirit and aggressiveness on the courts as it did last season, Bates may look forward to a fine and successful season for its tennis team.

Intramurals

Once again this year, Bardwell is well on its way to capturing unshared honors of the Intramural championship. As a result of the separating of Bardwell and Garcelon Houses into two units, competition became much keener. This is the ultimate goal of the Intramural Athletic System—provision for keen competition in a friendly atmosphere to help round out the individual.

Last spring the Bardwell teams took a first place in the softball league. Then they duplicated their ability in the football league in the fall only to be followed by an undefeated season in the basketball leagues.

Roger Bill has built a reputation as formidable opponents, and true to form, they provided trouble in the football and basketball leagues this year. Smith Middle was the closest runner-up in the basketball league, as they clinched the B-League championship and went on to be the toughest opponents for the Bardwell Hoopsters.

This year will result in the loss of Jack Hartleb, intramural administrator, to graduation. Jack has worked on, and with the Intramural Council since it was established in 1954. Also graduating is Toney Parrinello who has served on the Council since its organization, and who for the three years of its running, has been the Intramural Council representative of the dorm which has compiled the most points in each year.

The outlook for intramural athletics on the campus is very bright. By adjusting to the necessary changes required for efficient functioning, the Intramural system has proved very beneficial to all the students.

Women's Athletics

Women's Athletics

Betty Bates

Bates Women's Athletic Association sponsors a well rounded program of sports and activities for the women. The program consists of five major seasons with special events. These are planned to include as many students as possible.

The fall season opened with interclass hockey and some participation in the Maine Hockey Association. The early winter season consisted of volleyball and badminton on an interdorm basis. West Parker was the champion in volleyball and Wilson was the winner of the badminton trophy.

After Christmas vacation interdorm basketball got underway with the usual enthusiasm. The season ended with a series of round-robin tournaments. Before exams a very successful skating party was held at the rink with refreshments and dancing following in Chase Hall. Another special event was the Basketball Play Day held February 16, with Farmington, Colby and the University of Maine traveling to Bates. There were discussions and individual sports as well as the featured basketball. Because of the unpredictable winter weather the ski trip scheduled for February 17 and 18 was cancelled. Health week was ended by the Freshman Fashion Show and the selection of Jayne Nangle as Betty Bates.

Interclass volleyball started the spring season which also included such individual sports as hiking, biking and tennis. The Swim Show under the direction of Mary Ann Houston and Mary Sinnott had the very cute theme of Peter Pan. Jo Trogler played the part of Peter Pan. Spring lacrosse was again a feature sport.
